ROSARY RALLY – Saturday, October 12th at 12:00 noon at the Avro Arrow Zurakowski Park, Barry's Bay. CANADA NEEDS OUR LADY.

ON CHURCH BELLS: The first ecclesiastical use of bells was to announce the hour of church services. It is plain that in the days before watches and clocks some such signal must have been a necessity, more especially in religious communities which assembled many times a day to sig the Divine Praises. Among the EgyptOtian cenobites we read that a trumpet was used for the purpose; among the Greeks a wooden board or sheet of metal was struck with a hammer; in the West the use of bells eventually prevailed. In the Merovingian period there is no trustworthy evidence for the existence of large bells capable of being heard at a distance, but, as it became more needful to call to church the inhabitants of town or hamlet, bell turrets were built, and bells increased in size, and as early as the eighth century we hear of two or three or more bells in the same church.

OCTOBER IS THE MONTH OF THE HOLY ROSARY – I invite all members of the parish to commit to praying the Holy Rosary daily during the month of October. This practice could spiritually unite us in our daily living as we contemplate upon the mysteries of Our Blessed Lord's life and seek the intercession and assistance of the Blessed Virgin Mary.

The Rosary is one of the traditional paths of Christian prayer directed to the contemplation of Christ's face. Pope Paul VI described it in these words: "As a Gospel prayer, centered on the mystery of the redemptive Incarnation, the Rosary is a prayer with a clearly Christological orientation. It's most characteristic element, in fact, the litany – like succession of Hail Mary's, becomes in itself an unceasing praise of Christ, who is the ultimate object both of the Angel's announcement and of the greeting of the Mother of John the Baptist: 'Blessed is the fruit of your womb' (Lk 1:42). We would go further and say that the succession of Hail Mary's constitutes the warp on which is woven the contemplation of the mysteries. The Jesus that each Hail Mary recalls is the same Jesus whom the succession of mysteries proposes to us now as the Son of God, now as the Son of the Virgin". Apostolic Letter, ROSARIUM VIRGINIS MARIAE St. Pope John Paul II, October 2002
