FOURTH SUNDAY OF ADVENT

22 December 2019

Let us pray . . .

For those we will welcome at Christmas Season . . . especially for those who may have been away from the regular practice of the Sacraments.

For those who are returning to the Sacraments . . . that Advent will be a season when souls are drawn back to the life giving graces of the Sacraments of Reconciliation and Holy Eucharist.

For those who have died and left this transitory life . . . especially our loved ones and Agatha Dombroskie not Agnes Dombroskie. Requiescant in Pace!

WIGILIA: Among Poles, wherever they are, the most beloved and beautiful of all traditional festivities is that of Christmas Eve. It is then that the Wigilia, or Christmas Eve Dinner is served. It is a solemnly celebrated occasion and arouses deep feelings of kinship among family members. For days in advance, Poles prepare the traditional foods and everyone anxiously awaits the moment when the first star, known as the Gwiazdka, appears in the eastern sky. For that is when the feast to commemorate the birth of the Christ Child begins.
