Statement of Apology by the Catholic Bishops of Canada to the Indigenous Peoples of This Land

We, the Catholic Bishops of Canada, gathered in Plenary this week, take this opportunity to affirm to you, the Indigenous Peoples of this land, that we acknowledge the suffering experienced in Canada's Indian Residential Schools. Many Catholic religious communities and dioceses participated in this system, which led to the suppression of Indigenous languages, culture and spirituality, failing to respect the rich history, traditions and wisdom of Indigenous Peoples. We acknowledge the grave abuses that were committed by some members of our Catholic community; physical, psychological, emotional, spiritual, cultural, and sexual. We also sorrowfully acknowledge the historical and ongoing trauma and the legacy of suffering and challenges faced by Indigenous Peoples that continue to this day. Along with those Catholic entities which were directly involved in the operation of the schools and which have already offered their own heartfelt apologies, we, the Catholic Bishops of Canada, express our profound remorse and apologize unequivocally.

We are fully committed to the process of healing and reconciliation. Together with the many pastoral initiatives already underway in dioceses across the country, and as a further tangible expression of this ongoing commitment, we are pledging to undertake fundraising in each region of the country to support initiatives discerned locally with Indigenous partners. Furthermore, we invite the Indigenous Peoples to journey with us into a new era of reconciliation, helping us in each of our dioceses across the country to prioritize initiatives of healing, to listen to the experience of Indigenous Peoples, especially to the survivors of Indian Residential Schools, and to educate our clergy, consecrated men and women, and lay faithful, on Indigenous cultures and spirituality. We commit ourselves to continue the work of providing documentation or records that will assist in the memorialization of those buried in unmarked graves.

Having heard the requests to engage Pope Francis in this reconciliation process, a delegation of Indigenous survivors, Elders/knowledge keepers, and youth will meet with the Holy Father in Rome in December 2021. Pope Francis will encounter and listen to the Indigenous participants, so as to discern how he can support our common desire to renew relationships and walk together along the path of hope in the coming years. We pledge to work with the Holy See and our Indigenous partners on the possibility of a pastoral visit by the Pope to Canada as part of this healing journey.

We commit ourselves to continue accompanying you, the First Nations, Métis and Inuit Peoples of this land. Standing in respect of your resiliency, strength and wisdom, we look forward to listening to and learning from you as we walk in solidarity.

A Prayer For Protection In Time Of Pandemic

O Mary, you always brighten our path as a sign of salvation and of hope.

We entrust ourselves to you.

Health of the sick, who, at the Cross, took part in Jesus' pain while remaining steadfast in faith.

O loving Mother, you know what we need, and we are confident you will provide for us as at Cana in Galilee.

Intercede for us with your Son Jesus, the Divine Physician, for those who have fallen ill, for those who are vulnerable, and for those who have died.

Intercede also for those charged with protecting the health and safety of others and for those who are tending to the sick and seeking a cure.

Help us, O Mother of Divine Love, to conform to the Father and to do as we are told by Jesus, who look upon himself our sufferings and carried our sorrows, so as to lead us, through the Cross, to the glory of the Resurrection. Amen.

Under their protection we seek refuge, O Holy Mother of God.

In our needs, despise not our petitions, but deliver us always from all dangers, O glorious and blessed Virgin.

Amen
